

The New Hope community offers all types of learning opportunities, in various settings, so you can be thoroughly equipped in the knowledge of God. Our desire is that the Holy Spirit, by the renewing of our minds, will transform us into the image of Christ.

Sunday @ 9:00 AM

Foundations 101 Jesus told the woman at the well in John 4, "They that worship Me must worship Me in Spirit and in truth." True worship is always embodied in truth. But, "What is truth?" Foundations 101 is a new class study at New Hope designed to address that question. This 3-month study will cover subjects as... - Who is God? - What is meant by the deity of Christ? - Who is the person of the Holy Spirit and how does He engage our lives today? - What is meant by the inspiration, inerrancy, and infallibility of the Scripture? - Who is Satan and do we have authority as believers over the satanic realm of evil? - What is Salvation and the security of the believer? - What is the role of the church in the world? - What does the Bible teach on tithes and offerings? - Eschatology (the study of end times)? - The priesthood of all believers and what that looks like in real life, etc.... Come join us. We look forward to seeing you there! **Taught by Dan Zimmerle, Room 5, adult co-ed*
This class is an ongoing study. The idea is for people to join in at any point in the series and remain in the class until the teaching lessons rotate back to where you started.

Horizontal Jesus Loving God is vertical love. Loving others is horizontal love. Jesus showed His disciples how these two loves are intertwined in practical ways. While our relationship with God is based on faith alone, He warns and encourages us to see that the way we treat people affects our experience of Him. In this study, you'll learn how to apply biblical principles, drawn from the "one-another" scriptures, to your horizontal relationships. In doing so, you'll reap blessings in your vertical relationship with God. Come join us for this amazing study.
**Taught by Todd Craver & David Taylor, Room 4, adult co-ed*

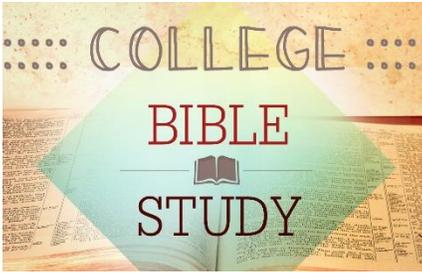

The Pursuit of God Sometimes the voice that speaks so clearly in the present is one that echoes from the past. So it is in this Christian classic by the late pastor and evangelist A. W. Tozer. In this study, we are urged to replace low thoughts of God with lofty ones, to quiet our lives so we can know God's presence. We are reminded that life apart from God is really no life at all. Tozer writes from his knees, a posture fit for presenting the character of God in all its demanding grandeur. "Arise, O sleeper!" is his word to us, and yet if we heed the call, we will see that to arise is not to stand but to kneel before the God of heaven in humble contemplation.
**Taught by Synthia Cathcart & Pastor Paul, Room 104, adult co-ed*
